Experience

Jan 2022 - Current · Online
Website Volunteer
EKAM USA

- As a website volunteer, I worked on website pages, fixed bay area newsletter, and focused on bay area volunteer page.

Aug 2021 - Sep 2021 · Online
UI/UX Tutor
Trilogy Education

- Tutored bootcamp students as an individual tutor working on their bootcamp projects.
- As well as tutored students on their project prototypes with figma.

March 2019 - June 2019 · San Jose
Design Volunteer
Factory Farming Awareness Coalition

- Design the aesthetics to be implemented within a website page or product, from the layout menus and drop-down option to colors and fonts.
- Negotiated with multiple vendors, saving over 25% of the total cost of event prizes.
- Edited graphics for “Green Monday in Berkeley” event and created over 15 graphics for the 2019 Oakland VegFest in a team of 5 for over 30 vendors.
