Hi, I’m Rama Venkataraman

—

Ui/Ux Designer and Web Developer

HI, I'M RAMA

Hello, I am Rama Venkataraman

I am a UI/UX Designer.

I specialize in UX research and ideation. I enjoy solving problems like how to bring products to market. My skills include Figna, photoshop, storyboarding, proto/user personas, and surveys

MY UX SKILLS ARE

USER RESEARCH

I enjoy writing questions to ask users as well as creating surveys and participating in user interviews, and 5 second tests.

COLOR THEORY AND TYPOGRAPHY

I enjoy working with colors. A wide variety of colors seem to be my passion with style tiles, typography, and style guides.

FRONT-END DEVELOPMENT

I enjoy writing code for websites using HTML/CSS, as well as typescript and scss.

TOOLS I KNOW

Paper and Pencil

Adobe XD

InVision

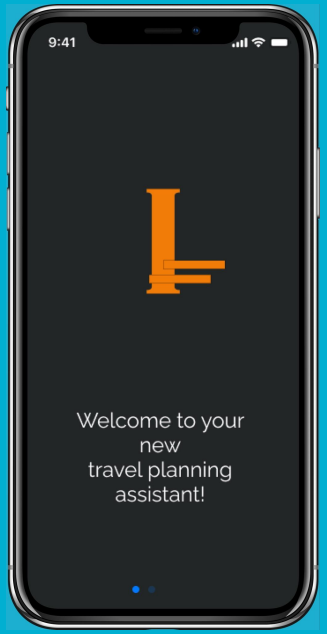
Google Drive

Photoshop

Figma

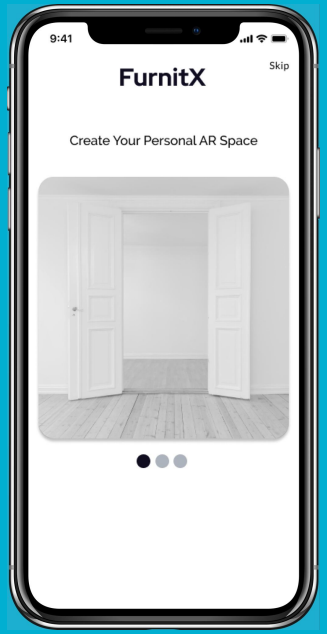
VScode

MY WORK



Immerse Travel App

A travel app that includes a bucket list feature that allows for users to get information about their destination.



FurnitX AR/VR Furniture App.

A furniture app that allows for users to get place furniture in their own AR/VR space.
